

## Davos

## Davos

Davos in Grisons is a place of superlatives: this destination with international ambience is the largest resort in the Alps for mountain holidays, sport and conferences, at 1560 m the highest town in the Alps and a high-altitude health resort with a long tradition.

This long-drawn-out town in the Landwasser valley is renowned above all as a conference centre and also as a major winter and summer sports centre with an international flavor and a huge range of activities. Its showpiece is its modern Conference Centre, which hosts the World Economic Forum WEF.

In the centre of Davos, visitors will find a wide range of accommodation and excellent shopping, with numerous boutiques, cafés and restaurants. At night, there's plenty of entertainment, with bars, clubs and a casino. Davos is also the headquarters of the Weissfluhjoch, the Davos Federal Institute for Snow and Avalanche Research.

Experience Davos!

## Steigenberger Grandhotel Belvédère\*\*\*\*\*, Davos

The Steigenberger Grandhotel Belvédère combines the traditional charm of a grand hotel with exclusive modern comfort. Located centrally in "Davos-Platz", you can take advantage of all the winter sport options. Belvédère: The name stands for enchanting perspectives. Indeed, the mountain panorama can be admired from the windows of almost all of the 97 rooms and 30 suites. All rooms offer free WIFI. The hotel features a wellness area, three restaurants and a bar. The Schatzalp/Strela funicular railway is situated within eight minutes walking distance from the hotel.

## Steigenberger Grandhotel Belvédère\*\*\*\*\* / Dining Options

Italian pasta, fine French cuisine and dishes from the Graubünden region are just the right thing after a magnificent day on the ski slopes. The Bistro Voilà is the place to go when you need a quick snack. You will find a broad choice of delicacies to enjoy on the sun terrace, but they may give you an appetite for more. For a delicious dinner, The Steigenberger Grandhotel Belvédère features the French restaurant Belvédère and the romantic Romeo and Julia restaurant which serves excellent Italian specialities. At the Carigiet Bar you can listen to piano music and take an international drink.

## Steigenberger Grandhotel Belvédère\*\*\*\*\* / Spa

The "Belvédère Spa" provides a spacious bathing landscape with a panoramic view of the dreamlike Alpine mountain world, a pool with counter current system and a spa bath. The warm water of 28° C ensures pure bathing pleasure even in low outdoor temperatures. You will find even more sporting activities available on the various equipment of the fitness-room. And what could be more pleasurable than to relax and take a healthy Finnish or Organic sauna or a steam bath? There are also various massages and beauty treatments available.

## Hilton Garden Inn\*\*\*\*, Davos

The Hilton Garden Inn Davos opened in 2012 and is located close to the Davos Conference Centre. This hotel features 146 rooms, which have all a balcony overlooking the city or the Swiss Alps. The American Grill restaurant serves Swiss as well as international dishes. The hotel is equipped with a SPA, a fitness centre, a sauna and a steam room. Free WIFI is available throughout the hotel and a bus stop is located right across the hotel. The Parsenn funicular railway and the Strela/Schatzalp funicular railway are situated within twelve minutes walking distance from the hotel.

## Hilton Garden Inn\*\*\*\* / Dining Options

From Swiss specialties to international cuisine, the Hilton Garden Inn Davos offers the best in casual dining at The Grill restaurant, serving a variety of freshly prepared dishes in a welcoming atmosphere enhanced by a show kitchen. Snacks are available at the 24-hour Pavilion Pantry. This hotel also features a cozy bar by the fireplace in the lobby lounge, where you can enjoy a drink.

## Hilton Garden Inn\*\*\*\* / Spa

It offers a modern gym and directly connected to it a spa area with sauna, infrared cabin, experience shower and steam room. Various spa and beauty treatments can be booked. Across from Hilton Garden Inn Davos is the spa eau-là-là, which offers an indoor pool, a Finnish sauna, a hydrotherapy pool, foot pools, a silent room, an outdoor whirlpool and much more.

## Ski Resort Davos-Klosters

At 1,560 m Davos-Klosters is one of the highest Alpine resorts in Europe and offers a vast network of ski slopes. You can choose between six snow sports resorts here: The **Jakobshorn**, the **Parsenn/Gotschna** resort and the three family-friendly mountains **Pischa**, **Madrisa** and **Rinerhorn**. Furthermore, **Schatzalp/Strela** offer the first decelerated skiing resort in Europe. In other words: here, you are simply spoiled for choice - this is assured by 320 km of guaranteed snow-covered slopes and 57 transport systems.

## Ski lift access

From the Steigenberger Grand Hotel and the Hilton Garden Inn the ski lifts can be reached easily within 5 minutes distance by public transport that stops in front of the hotel every 5-10 minutes and can be used for free. The Steigenberger Grand Hotel offers as well a ski shuttle and the Schatzalp/Strela funicular railway is situated within eight minutes walking distance from the hotel. From the hotel Hilton Garden Inn you can reach within twelve minutes walking distance the Parsenn funicular railway and the Strela/Schatzalp funicular railway.

## Skiing and snowboarding in Davos Klosters

Whether beginner or advanced, skier, snowboarder or cross-country enthusiast: Davos offers something for everybody. For years, the **Jakobshorn** has been the Mecca for snowboarders and free skiers. **Pischa** is one of the largest and sunniest freeride resorts. The pistes are marked here and safeguarded against alpine hazards, but not prepared. All boardercross enthusiasts will find boardercross courses on **Parsenn**, **Pischa** and on **Madrisa**. For all beginners, the special beginner lifts **Bünda** and **Bolgen**, and highly trained instructors guarantee safety, success and fun.

## Helicopter flight

Gain interesting insights into the world of helicopter pilots and maintenance crew and visit the Untervaz Heliport. An Expert will explain you the fascinating technology that enables pilots to carry out challenging transport and passenger flights. Afterwards you can enjoy a 5 minutes trial flight and a delicious apéro, which will also give you chance to discuss the exciting world of flying with pilots and technicians. Flights including a lunch or an apéro at a mountain restaurant are also possible. Here, high above the mountain peaks, you will discover the region from a different perspective and take home memories for a lifetime.

## Cross-country skiing

Whether you wish to train in the romantic tributary valleys, on the FIS racing trails in the Flüelatal valley or later on in the day on our night-time trails - in the Davos Klosters region you are sure to find the ideal cross-country trail to suit your taste. The trail network in Davos Klosters encompasses over 100 km of classic trails and 46 km of skating trails across all difficulty ratings.

## Tobogganing

As soon as temperatures fall and the first snow has settled, the pass roads and hiking trails become inviting sledging runs. Davos Klosters is the cradle of international tobogganing. In 1883 the first official toboggan race was held in Davos. The famous "Davos sledge" is effectively the original amongst toboggans. At the toboggan Paradise of Davos Klosters, nine toboggan runs promise fun and diversity.

## Igloo Village Davos - Klosters

The igloo village at the Davos-Klosters resort is nicely snuggled in the Parsenn ski arena and offers a wide range of activities: igloo building, snow bar, BBQ or Fondue on ice. Let the experienced igloo guide show you the complete igloo village site and learn how to build an igloo. After that, the ice bar invites you to relax and enjoy a drink. Come and experience an unforgettable day at this nice and unique place!

## Snowshoe trekking

Away from the much-trampled paths you will conquer deep snowy forests and untouched winter landscapes with snow shoes. Experience peace and quiet. Snow shoe walking is easy for everyone and does not require any training. Snow shoe walks are a very special natural experience under the full moon - ideally combined with a typical Grisons evening meal in a traditional mountain hut.

## Ice skating

Enjoy a unique skating experience in Davos! Skating on the largest natural ice rink in Europe (18,000 square metres) or on the artificial ice rink in Davos Platz, on the Seehof-Seeli in Davos Dorf or on the artificial ice rink in Klosters. Ice skates are available for hire and if required, ice skating lessons can be arranged.

## Husky sledding

Get away from the stress of everyday life! Experience the nature and leave your tracks in the snow on a dog sled tour! With the huskies you go through snowy winter landscapes and between snowed-covered mountain peaks. Guides demonstrate the handling before making way for you to put on the harnesses and tug lines, which are needed in order to harness the dogs to the sleds. Learn how to drive your own team of huskies! Upon request a nice lunch or an aperitif with mulled wine can be prepared.

## Curling

To curl the curling stone over the polished ice into the house is ambitious but will give pleasure for sure. An expert instructor will initiate you into the secrets of the Olympic sport of curling. Curling is easy to learn for everybody. A short tournament at the end of the course will identify your company's champion! A spicy cup of mulled wine will you keep warm.

## Bavarian curling tournament

Bavarian Curling is played in teams of 4-6 persons and easy to learn. It is one of the oldest winter sports in the world. The sport requires that the ice stock (or Bavarian curling stone) glide across the ice. The aim of Bavarian curling is to position the team's ice stocks as close to the tee as possible over the course of six rounds. This requires a great deal of patience on the ice! After all, who doesn't enjoy knocking the opponent out of play shortly before they win the game? Warm drinks can be served and at the end an award ceremony could be held.

## Team challenge

Teamwork, activity & fun! In different teams you have to absolve tasks and challenges such as snowshoe obstacle run, building of snow sculptures, snow golf, guess the food speciality, sledging race etc. A lot of different games are available. Also ski and snowboard fun races can be organised. At the end an awards ceremony will be held and you can enjoy an aperitif.

## Torchlight walk

You won't forget the fantastic atmosphere created by flickering torches for a long time! Away from the village you will experience an intense feeling of peace and calm deep in the woods. A local guide will accompany you if you wish. A rest-stop, with mulled wine and a dinner at a traditional mountain restaurant can be organized.

## Chocolate making and tasting

Switzerland is worldwide famous for chocolate. It is almost a must to experience the sweet taste of chocolate. Start with a tour at a Swiss made chocolate company, afterwards a confectioner will show how to make pralines. Indulge yourself in those heavenly specialties and try out to make a praline with your favourite flavours. A small degustation and aperitif will definitely convince you why Switzerland is well known for its chocolate.

## Horse-drawn carriage rides

Enjoy a cozy trip in a horse-drawn carriage to a stunning excursion destination. For example in the enchanting tributary valleys of Davos or to a mountain restaurant for dinner. An unforgettable experience, in particular at night-time in the light of the full moon! Snugly wrapped in furs and blankets, you gaze over the horses' backs at the unspoilt landscape. In the forest mulled wine could be served or you can enjoy a sparkling Prosecco during the ride.

## Visit the highest beer brewery in Switzerland, Monstein

In 2001 in Monstein, the highest brewery in Switzerland and the first demonstration brewery in the canton of Grisons went into production. It is housed in the former village dairy, a building that was erected 100 years ago. They use crystal clear spring water, Swiss hops and aromatic malt to brew Monstein beer specialities in accordance with a richly traditional recipe. Learn all about beer brewing and ingredients and taste the Monstein beers and other specialities.

## Visit of Kirchner Museum, Davos

Ernst Ludwig Kirchner lived in Davos from 1918 until his death. His comprehensive work was pioneering for German Expressionism. The Kirchner Museum was opened in 1992. It is home to the world's largest collection of the artist's work. The museum building was designed by the world famous Zürich architects Annette Gigon and Mike Guyer. In its simple but powerful form it continues to attract great attention in architectural circles.

## Chur city tour incl. alphorn workshop and lunch

The oldest city in Switzerland has many stories to tell. Centuries of history have shaped and left their mark on this place of transit. Immerse yourself in the past and experience Chur by foot from the modern railway station, through the bustling centre, along the narrow winding streets of the Old Town, and up the hill to the 800-year old Cathedral. After that, you are invited to learn more about the alphorn, the Swiss national instrument and symbol of dairy farming. You will get an insight into the alphorn makers' art and even try to blow yourself. At the end you will enjoy a traditional menu from Grisons.

## Landquart Designer Outlet

Shopping under the open sky in a fabulous village center that is modeled after a Graubünden village in the chalet style. Over 160 well known national and international fashion- and designer brands as well as high end brands from the sectors; Sports & Outdoor, Shoes & Leather, Living, accessories and children's clothing make your heart skip a beat. The shops are run by the manufacturing companies themselves or by their exclusive trading partners and offer great discounts on sample collections and collections from previous seasons. Cafes and restaurants invite you to relax and stay for a while.

## Alpine Classic Pullman

The Alpine Classic Pullman offers a high degree of elegance, in the enchanting art deco style of the early twentieth century. Indulge in a little luxury and a breathtaking Alpine experience at the same time. It is not just the drawing-room armchairs and observation-car views, or the exquisite teak inlay, which make the elegant Alpine Classic Pullman what it is. Its uniqueness arises from the perfect aesthetic harmony between all these details. The four carriages, with 32 seats in each, offer the perfect setting for a top-level business excursion or a customer-relations event. Inclusive personal service by a hostess.

## Gourmino - The rolling destination for gourmets

Well-being at its best – in the Gourmino dining car of the Rhaetian Railway. In the rolling nostalgia restaurants with 34 seats you can enjoy the culinary delights from Grison! Sipping an aperitif as the train rolls along is a great way to take pleasure in the surroundings, with the nostalgic elegance of live piano music in the background. Enjoy modern designer comfort, as you savor a freshly-mixed cocktail in an ambience of bygone times. At the Piano Bar, there is room for 23 connoisseurs of fine living. Travel in style, aboard our Piano Bar carriage, as your train rolls along any of our 384 km of line.

## Stiva Retica – The country inn on wheels

The Stiva Retica is an inn with the added attraction that it actually moves through this land of tales and legends. The Stiva Retica offers seven tables for four, a large communal table, a staffed bar with wine by the glass and big doses of country romance. As in its land-based counterparts, this inn on rails also serves Salsiz sausage, local cheeses, Veltliner wine and beer. The Stiva Retica offers 40 seats. What's more: The country-style Stiva Retica can also be combined with the Gourmino carriage or the art deco carriages of the Alpine Classic Pullman Express.

## Mountain Restaurants: Châlet Guggel

Just a few metres below the summit of Jakobshorn lies the Châlet Guggel. It offers a nice sun terrace as well as different dining rooms. The ideal place for full-moon and fondue parties, family get-togethers and corporate events, with DJ or live bands. The Châlet Guggel offers gourmet cuisine, various bars and snacks for fast refreshment. Daily dishes from the giant pan, crispy, golden-brown and finely spiced 'Güggeli' chicken, home-made pizzas from the wood-burning oven.

## Mountain Restaurants: Schatzalp

With the Schatzalp train, the mountain restaurant Schatzalp is just four minutes away from the centre of Davos. This nostalgic Art Nouveau style building with its Belle Époque atmosphere, opened its doors in 1900 as a luxury sanatorium and was later converted to a mountain hotel and restaurant. The soul of the house, its architecture, has been preserved in its original form until today. Fine cuisine is served in the Belle Époque dining hall, the Panorama Restaurant or on the Snow Beach terrace. The ideal place for a cozy evening with a delicious fondue and afterwards a fun toboggan ride down to Davos.

## Davos Night Life

Davos is known as the party town of the Alps. You will find night life options similar to those of the major urban centers. From the elegant lounge to the crazy rock venue, there is something for everyone. The night life in Davos is not limited just to bars and clubs, but offers as well a Cinema and a Casino. Additionally, Klosters offers small but exceptional establishments, which impress due to their unique character.
